

WHY JOIN US?

Here are some of the features that make K&L Gates an outstanding place to work and develop your career.

TRULY INTEGRATED

Our firm has grown internationally by strategically combining with firms that fit our business model, culture, and value system. This selectivity has helped us to achieve our goal in creating a truly integrated firm, and not a “firm of firms” that merely share a brand. We operate as one firm, united and without borders, in a highly collaborative environment.

SOCIALLY RESPONSIBLE AND INCLUSIVE

Extending our time and talents for the benefit of the common good is something in which we take great pride. Corporate social responsibility is more than a management imperative at K&L Gates, it is woven into the DNA of our firm. Here you will have the opportunity to interact with diverse and interesting colleagues, and participate in and take advantage of initiatives surrounding opportunity and inclusion, community outreach, and pro bono services. For a comprehensive look at all aspects of our corporate social responsibility initiatives, visit the About section of our website, where you will also find the For the Good of All special report.
