Based on 2022 data

- Our **strategic presence in key markets and in global financial districts** provides opportunities to serve clients and collaborate with colleagues around the world.
- We offer a **fair and transparent compensation system** that rewards more than just client origination. The system is designed to incentivize lawyers to share ownership of client solutions in a collaborative way that syncs with a client's objective of efficiency and responsiveness.
- We embody **partnership in every sense**, having approximately one-third of our revenue sourced by a different office or practice group than that of the working lawyer.
- Our **genuinely collaborative culture** brings together a **client-focused** combination of high-level practice area expertise, specific industry knowledge, and global geographic reach.
- Our **effective business operations** that allow you to focus on practicing law.
- The firm has **no bank debt**—neither long-term nor short-term debt. The firm's conservative fiscal approach provides protection to the new generation of partners who will not be inheriting interest bearing debt as a mortgage on their future opportunities.
- Our **robust lateral integration and professional development programs**, such as our Strategic Partnering Program, offer a demonstrated record of success in supporting client growth efforts with our new lateral partners.
- Our **Client Growth Team** will help facilitate creative and strategic client growth approaches.
- We take an **investment-oriented approach to project management and pricing technology** with a team devoted to innovation in alternative fee agreements and client budgets.
- As a **fully integrated firm**, we maintain a single profit center across practices, industry groups, and regions, resulting in a credit system that aligns with client interests.
- With our **focus on innovation**, we source and implement technology that is easy to use and effective, and maintain industry-leading and enhanced infrastructure with resilient networks, redundant data centers, and virtualized computing power.
- Our **industry groups align lawyers across multiple offices and practices** to bring together multidisciplinary teams that deeply understand the businesses of our clients in these industries and the legal, regulatory, and other challenges they face.
- Our well-trained and mentored **associates will help you service and grow your client relationships.**

COMMITMENT TO DIVERSITY, INCLUSION, AND SOCIAL JUSTICE

Diversity and inclusion are top priorities at K&L Gates and an important aspect of our partnership with our clients. The unique perspectives and experiences contributed from our lawyers' different backgrounds enrich the culture of our firm and afford us greater opportunities for innovative thinking and creativity in problem solving. Our firm ambitiously works to ensure diversity and inclusion is a consistent consideration in firm leadership, management practices, human resources, marketing activities, and financial decisions. We are proud to have achieved Mansfield Rule 4.0 certification on our inaugural year of participation, and have since achieved 5.0 Plus status. Together, we maximize the power to change the legal profession and the power of our profession to change society. We seek and welcome talents who are diverse in experiences, perspectives, and ideas and to join us in propelling diversity forward.

COLLABORATIVE CULTURE IN ACTION: OUR INDUSTRY-LEADING RESPONSE TO COVID-19

At the onset of COVID-19, our lawyers formed a worldwide task force to coordinate and collaborate on a resource center that includes alerts, guides, podcasts, webinars, and roundtable events covering a wide range of topics. Nearly 600 lawyers and legal professionals across practices and regions contributed more than 500 pieces of content to date. The resource center has become a valuable resource to our clients, who have praised the quality, clarity, and usefulness of our materials.
